Attention: Mr. Frankie Lam

Dear Mr. Frankie Lam,

I would like to take this opportunity to thank for your support during the implementation of Paradigm Freight Management 2000 (FM2000) systems – Oct, 2001 to May 2002, covered 10 companies in two countries, Hong Kong and United Kingdom respectively.

From user prospective, Fm2000 has well defined work flow procedure that is suitable for HK and International trade practice. We have also learned that all system functionality are aim to Enhance Processing Efficiency, and Improve Customer Service. In result, our organization has been well benefited from this project.

With the new IT infrastructure in place, we are able to provide high visibility of cargo movement and availability of information to our customers and agents globally. We are looking forwards to year 2003 for PRC implementation. Your ongoing support would be highly appreciated.

Sincerely Yours,

Mr. Peter Li
